

TRAVEL INDUSTRY GUIDE

As Thailand's leading hotel operator our name can be found at all the best destinations throughout the country. Further, the success of our resorts in the Indian Ocean and across South East Asia has enabled us to expand Centara's concept beyond Thailand and between the present and 2019 our ever-growing international portfolio will include additional properties in Thailand, China, Cuba, Laos, Maldives, Oman, Qatar and United Arab Emirates.

We offer different styles of hotels and resorts to accommodate different preferences with six brand names within the Centara family, and consequently more than one Centara property can often be found at the destination in which you are interested. The majority of our hotels and resorts feature SPA Cenvaree or Cense by SPA Cenvaree, dedicated to blending therapies and techniques from East and West to make you feel relaxed and rejuvenated.

Kids' Club facilities are featured at most of our beach properties, where the youngsters can enjoy themselves under supervision, allowing the mums and dads a little well-earned rest. If you'd like to experience an exclusive hotel-within-the-hotel stay, the Club options at our five-star properties provide you with enhanced luxurious Club rooms, access to the Club Lounge with its three complimentary meals a day and a host of other benefits. Our Premium Benefits package is also available at specific four-star properties offering even more upgrade options.

Our range of hotels and resorts is growing all the time, and now we are increasingly to be found at popular destinations across Asia Pacific, the Indian Ocean and the Middle East.

Look for the Centara name.
